

Declaration of non-objection

(Decontamination declaration for return deliveries)

Last revised: 07/2024

Please reply to info@mag-couplings.com

In order to ensure occupational- and health safety and to protect our employees from harmful effects when handling hazardous substances, this decontamination declaration must be completed in full and enclosed with all DST products returned to us.

The declaration is binding and may only be completed and signed by authorised personnel. It must be visibly attached on the outside of the returned goods packaging and sent in advance by email, including the safety data sheet, to info@mag-couplings.com. DST will only conduct an inspection and failure analysis of the returned DST products if a fully completed and signed declaration is provided. Otherwise, we explicitly reserve the right to reject the shipment.

It is mandatory to obtain written approval from DST before returning any DST products.

Approval was granted by DST on
