

Declaration of non-objection (Decontamination declaration for return deliveries)

Last Revision: 08/2024

Please reply to info@hbe-hydraulics.com

In order to ensure occupational health and safety and to protect our employees from harmful effects when handling hazardous substances, this decontamination declaration must be fully completed and enclosed with all HBE products which are returned to us.

The declaration is binding and may only be completed and signed by authorised personnel. It must be visibly attached on the outside of the return packaging and sent in advance by email, including all safety data sheets, to info@hbe-hydraulics.com. HBE will only conduct an inspection and failure analysis of the returned HBE products if a fully completed and signed declaration is provided. Otherwise, we explicitly reserve the right to reject the shipment.

It is mandatory to obtain written approval from HBE before returning any HBE products.
