

REACH Declaration of Conformity

Herewith we inform about our conformity according to the Regulation (EC) No. 1907/2006 (REACH), Art. 33.

VSE Volumenttechnik GmbH, as a manufacturer of products in the sense of the above-mentioned regulation, is a downstream user of small quantities and therefore not subject to registration.

VSE Volumenttechnik GmbH exclusively supplies non-chemical products. These do not contain any substances that are intended to be released under normal or reasonably foreseeable conditions of use according to REACH Art.7.

Information on substances is based on information provided by the suppliers of VSE Volumenttechnik GmbH.
